# TENNESSEE GENERAL ASSEMBLY FISCAL REVIEW COMMITTEE

## FISCAL MEMORANDUM

SB 1502 – HB 2426

March 27, 2018

**SUMMARY OF ORIGINAL BILL:** Requires driver's education courses to include an area of instruction regarding the effects on driving abilities while talking or texting on a mobile phone.

FISCAL IMPACT OF ORIGINAL BILL:

#### **NOT SIGNIFICANT**

**SUMMARY OF AMENDMENTS (014989, 015956):** Amendment 014989 deletes all language after the enacting clause. Decreases from \$100,000,000 to \$50,000,000 the required balance for the General Shortfall Reserve Subaccount (Subaccount). Eliminates the additional \$10,000,000 that must be held in the Subaccount.

Amendment 015956 deletes the provision from amendment 014989 which eliminates the additional \$10,000,000 that must be held in the sub account.

### FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENTS:

Increase State Revenue – \$50,000,000/Tennessee Promise Scholarship Special Reserve Account

Decrease State Revenue - \$50,000,000/General Shortfall Reserve Subaccount

Other Fiscal Impact – Reduced availability of lottery proceeds in shortfall years for other programs such as early post-secondary opportunities funded from lottery proceeds.

Assumptions for the bill as amended:

• This legislation lowers the required amount to be held in the in the General Shortfall Reserve Subaccount of the Lottery for Education Account from \$100,000,000 to \$50,000,000.

- This will result in a transfer of these funds to the Tennessee Promise Scholarship Special Reserve Account. Therefore, the recurring increase in state revenue to Tennessee Promise Scholarship Special Reserve Account is estimated to be \$50,000,000; and a corresponding recurring decrease in state revenue to the General Shortfall Reserve Subaccount is estimated to be \$50,000,000.
- Decreasing the size of the General Shortfall Reserve Subaccount could mean less funding, in a shortfall year, for early postsecondary opportunities for high school students such as dual enrollment; however, the extent of any reduction in available funding cannot be determined.
- No significant impact to local government operations.
